## Question Legality of Act

The constitutionality of the act of 1912 granting a pension of \$10 a month to indigent, disabled soldiers of the Confederacy was called into question by State Auditor Bosworth in a communication to Attorney General Garret Wednesday in which he asked advice of the Attorney General about issuing warrants on the treasury for the 284 pension claims already approved by the pension board. In explaining his action, Auditor Bosworth said he is in favor of the petition but that his bondsmen have raised the question with him and he is taking this step to protect himself and his bondsmen.

## Oldest Known Prescription.

The oldest prescription in the world is in the Metropolitan Museum of Art. It is on a piece of stone 3x4 inches in size and was probably written 3,500 years ago in Egypt. The prescription takes up both faces of the stone and is written in the old cursive characters, the compound being a remedy that was used for a fumigation.

## \$100 Reward \$100.

The readers of this paper will be pleased to learn that there is at least one dread disease that science has been able to cure in all its stages, and that is catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

Address F. J. Cheney & Co., Toledo, Ohio. Sold by all druggists, 75 cents. Take Hall's Family Pills for constipation.
